

## Community Preservation Committee

### ApplyBoard Details Member Roster

#### Description

#### Composition Eligibility

The committee shall consist of nine members, as follows:

The Newton Community Preservation Committee is hereby established to carry out the functions and duties of such a community preservation committee as provided in General Laws chapter 44B.

(1) The conservation commission, planning and development board, housing authority, historic commission and parks and recreation commission shall each designate one of its members, who may be an alternate member, to serve as a member of the committee (the “statutory members”).

(2) The remaining four members (the “appointed members”) shall be appointed in accordance with section 2-8. The appointed members shall include at least one citizen who has expertise or demonstrated interest in open space, at least one citizen who has expertise or demonstrated interest in recreation, at least one citizen who has expertise or demonstrated interest in historic preservation and at least one citizen who has expertise or demonstrated interest in affordable housing. In making such appointments, the mayor shall be guided by the goal that the membership of the committee include persons with professional expertise in real estate development, finance, architecture and law.
