RE:	FY24 Restoration List

Central Staff has been asked to prioritize a restoration list should additional funding be made available for the FY24 budget. The superintendent's proposed budget currently has a net reduction of 56.4 FTE.

The tables below show a list of restorations created by the NPS central staff team broken out into our "first million" and "second million" dollar add-back categories. Our goal is to prioritize class size at the elementary level, and then class size at the secondary level and restore some programs. The total restorations listed below would restore approximately 20 FTE. This list would likely change if we had less funding available, and is subject to change based on new information and additional input from our school and district program leaders.

ONE MILLION: CLASS SIZE ONLY							
Department	Initial Restorations	FTE	Amount				
Elementary	Teachers/Class Size (no classes in 26-28 range)	5.0	\$460,000.00				
Elementary	Specialists/Class Size (no classes in 26-28 range)	0.8	\$73,600.00				
Middle	5.0 MS Classize Teachers (Oak Hill, Day, Brown)	5.0	\$460,000.00				
Middle	Multiteam Increase	0.3	\$27,600.00
