

Kathleen A. Smith, J.D.
Interim Superintendent of Schools

Memorandum

To: School Committee

From: Kathleen Smith, Interim Superintendent

Date: May 22, 2023

A public hearing was held to determine whether the district has the capacity to offer the school choice program to families who do not reside in the City of Newton. Based on current enrollment and space limitations, it is my recommendation that the School Committee elect not to participate in the program for the FY24 school year.
