RE: Recommended Revisions to Policy JL - Student Welfare

In response to increasing frequency and number of personal food deliveries during school hours and school-sponsored after-school activities on school grounds, it is recommended to add the following provision to Policy JL-Student Welfare for safety reasons to limit non-NPS persons entering school buildings.

RECOMMENDATION FOR REVISION - POLICY JL- STUDENT WELFARE

Policy JL - Student Welfare. Add a section at the bottom of the policy, redlined version attached here -

Food Delivery on School Grounds

Food delivery to students from outside private vendors during school hours or during school sponsored after-school activities will not be permitted on school grounds.
